(e) The figures in this column under Refunds, Law and Justice, Miscellaneous, Assignments, and Territorial Pensions, do not agree with those published at page 415 of the *Gazette of India* of 28th July 1883 owing, in the case of the first three heads, to the entire amount of Refunds being here taken, so as to agree with the 'Provincial Estimates of 1882-83,' against "Refunds and Drawbacks," according to the old practice; and in the case of the last two heads to a difference in dividing the old head "Allowances, &c., under Treaties" between the two corresponding new heads.
